## 2014 WORLD DIABETES DAY

### November 14th at Place Victoria

The Diabetic Children's Foundation will be present in the lobby of Place Victoria from 11 AM and 2 PM on Friday, November 14th. Objective: awareness! Nurses will be on site to explain T1D and T2D, and hopefully, to inform as many people as possible on the reality of young people living with diabetes.

Donations will be collected through the sale of 'special' apples bearing the Foundation's logo. On World Diabetes Day, stop by Place Victoria and help us demystify diabetes.
